

# THE LIFEWAVE PATCH PRODUCTS AVAILABLE:

## **Y-AGE GLUTATHIONE, CARNOSINE AND AEON FOR ANTI-AGING**

**Carnosine:** Tissue repair and regeneration and “Plumps” up ageing cells so Nutrients can flow in and Toxins can flow out. Calming.

**Glutathione:** Signals the body to make more Glutathione, the Master Anti-Oxidant in the body, enhancing detoxification of heavy metals and other toxins. Assists the Immune System, eases Stress and Panic Attacks.

**AEON:** Quickly relieves Stress, Inflammation and Panic Attacks.

**The Lifewave Glutathione patch is fast becoming recognised worldwide as one of the safest, economical, and most effective products for raising Glutathione levels in the body. There is NO other product in the world today that can raise the Glutathione levels as well as the Lifewave patches do!**

**These patches are far more efficient, safer, and cost much less than IV or capsules. They are easy to use and have NO harmful side effects. Simply - a must for everybody!**

**OF SPECIAL NOTE:** The Y-AGE (Carnosine, Glutathione and Aeon) along with the SP6 patches have ALL been clinically measured for improving ORGAN FUNCTION by 70 to 90% or better. Whatever you may be using these patches for, you could also notice some wonderful, unexpected benefits? As far as recorded, there appears NO OTHER product in the world today has these benefits measured in any way.

The Y-Age Aeon patch works well alone, but we suggest you use the Y-Age system of all three including Glutathione and Carnosine for maximum benefit...especially if you want to lose some fine lines and wrinkles! The X39 patch can also be considered.

**The AEON patch is proving incredible easy to ease pain and inflammation for both human and animals and is regularly used for the smallest animals to the largest including horses.**

## **WHAT IS THE X39 PATCH?**

**With 10 years of development with research facilities in Ireland the X39 patch is already proving even more effective and far safer than traditional Stem Cell procedures and is something anyone can easily use themselves in their own home.**

**THE X39 PATCH is the ONLY PRODUCT in the world today to sucessfully create the peptide GHK-Cu  
The essential peptide for succesful Stem Cell creation**

## **WHAT BENEFITS ARE BEING REPORTED WITH THE X39?**

## SP6 PATCH FOR WEIGHT REDUCTION AND APPETITE CONTROL

A single patch used 5 days a week to reduce hunger and cravings  
Use with Y-Age Glutathione to detoxify the fat  
Use with Y-Age Aeon to decrease fat-storing and easing stress  
Can be combined with Energy Enhancer for extra reduction of fat.

**The SP6 patch is more for appetite control than just being for weight loss. While using this patch the body is signalled that it is "Not hungry" and does not need to "Store fat" while food intake is reduced and energy is used. The result is less reliance on extra food and an extra 20% more burning of fat even with minimal exercise.**

**The SP6 patch is also used together with a Glutathione patch to reduce the addiction effects of strong narcotic drugs. We regularly use this combination to ease people off addictive drugs.**
